

Great Lakes Association of Astronomy Clubs (GLAAC)

presents our

14th Annual Astronomy at the Beach

Friday & Saturday, September 10th & 11th at Maple Beach, inside Kensington Metropark, from 6 pm - midnight (rain or shine)

20 Years of Hubble

With a Special Talk on the
“Legacy of the Hubble Space Telescope”
by the Space Telescope Institute’s Deputy Director
Dr. Bradley Whitmore

Learn about astronomy first hand by:

- ▼ View dozens of exciting objects through our telescopes and binoculars
- ▼ Children’s scavenger hunt with prizes, and visiting the Starlab Planetarium
- ▼ Comet making demonstration
- ▼ Tour the constellations
- ▼ Plus much more!
(food & beverages available for purchase)

To Kensington Metropark:
Take I-96 to Exit 153 (Kent Lake Road), then follow signs to Maple Beach.
\$5.00 Vehicle Entry Permit required to enter Park. Event is FREE!

For more information call the Kensington Nature Center at 248-685-0603 or visit the GLAAC website at: www.boonhill.net/glaac/
