Trust & Dare

Dear Robert & Jeanne,

Thank you for your gift of \$285.00 received on Friday, October 07, 2011 in support of our retired sisters. In compliance with the IRS, we verify that no goods or services were provided to you in return for this donation, which is tax-deductible to the extent allowed by law.

These words of Blessed Theresa challenge us to recognize our human weaknesses and to put aside those words and deeds that hurt others. When we fail, we are called to go to the person and make peace before the day ends. Blessed Theresa had a way of embracing daily life with love. She encouraged her sisters to be gentle with each other and to soften their hearts before going to speak a concern to another sister.

As we embrace autumn, I invite you to assess your inner growth. How are you different this year as harvest time proceeds? In what ways have you become gentler? Is your heart softer toward others? Perhaps the way of Blessed Theresa can help you embrace your daily life with greater love and compassion.

We will continue to pray for you and hold you gently as we respond together in love each day.

In peace,

K. Kay Amland
